Spring Cleanup Information

Dear Marlboro Township Residents:

Recycling is an increasingly important part of our commitment as a municipality, and so, it is with great pride that I present the 2020 Official Marlboro Township Recycling Calendar. Recycling is not only environmentally responsible but enables the Township to receive grants and rebates which ultimately improve services and reduce costs for residents. The single biggest defining factor in our success is resident participation and adherence to the schedule. This keeps our roads clean and safe and helps prevent pollutants from entering our Township's water bodies.

Changing weather patterns and extreme weather conditions over the past few years have had a significant effect on our leaf and brush removal programs. The threat of severe weather can cause the Marlboro Office of Emergency Management (OEM) to cancel or postpone curbside collection at any time of year. For that reason, and the safety of residents, it is imperative that:

- Lawn debris not be placed curbside more than one week prior to your first collection date. Doing so causes risk to public safety, interferes with snow removal and increases the risk of flooding. Note that debris should be placed on your property near the curb, not in the street.
- Notice of cancellation or postponement as well as emergency updates are made via Township email blasts, social media, SWIFT 911 Police calls, and on the webpage. All residents are urged to visit the Township website and register for any or all of these communication options.

Each year, we listen to resident concerns and adjust our brush and leaf collection to more closely align with climate trends witnessed in recent years. Leaves are falling later in the year and we have been experiencing some early and unpredictable snowfalls. It almost feels like summer turns right into winter, leaving a short window to collect leaves before the first snowfall. Lawn debris in the streets present hazards to pedestrians and traffic, impede water flow to sewers causing flooding and icing, and is just plain unsightly.

To accommodate residents while being mindful of safety, we have planned four (4) leaf collections-one curbside and three additional biodegradable paper bag collections. This will maintain the service that residents expect, and at the same time help to keep our streets clean and free of debris for more of the year. It will have the added benefit of giving the Department of Public Works (DPW) clear street access for the summer road program.

As an aside, you may have heard about our Road Program — \$10 million over the last two years. Our ability to devote more funding toward road repairs is a direct outcome of our superior financial position and AAA bond rating. Paving and repairing roadways will be the DPW's primary focus during the summer months. Note that road updates are sent via email and social media and posted on the website ROAD REPAIR tab.

Under the banner of our recycling program, there are many opportunities to volunteer in the community. Your family, neighborhood, or organization can adopt a site as part of the Clean Communities Initiative. To participate in other sustainable initiatives, email greenteam@marlboro-nj.gov. If you are interested in these or other volunteer opportunities, feel free to call my office 732-536-0200 x1200.

Please be mindful of the program rules outlined in the following pages in order to ensure that all materials are picked up in the most timely and cost effective manner, and in compliance with the applicable laws. It takes a community to keep our environment clean and township safe, and maintain our quality of life. I thank you for being part of this effort and hope you find our annual recycling calendar helpful to you and your family.

Yours in Community,
Mayor Jonathan L. Hornik

Marlboro Township Council: Jeff Cantor, Randi Marder, Carol Mazzola, Scott Metzger, Mike Scalea

AN IMPORTANT ENVIRONMENTAL MESSAGE

Marlboro Township remains committed to our local environment and the health and wellness of our residents. As part of our New Jersey Department of Environmental Protection (NJDEP) Stormwater Permit, Marlboro Township is required to reduce the amount of pollutants, discharging into the Township's water bodies. Harmful examples range from roadside litter and debris, sediments from erosion, nutrients and insecticides from lawn treatments, bacteria and pathogens from failing septic systems, salts from de-icing activities, to detergents from vehicle washings. These are environmental threats that as a community, we are all responsible for. Reduction in pollution through the State of New Jersey will directly improve the health of our streams and supporting habitats, therefore improving the quality of life for our population. In an effort to maintain our commitment, the Township has adopted several ordinances relative to pet waste, litter, improper disposal of waste, wildlife feeding, yard waste collection program and non-permitted connections to the Township storm sewer systems. To learn more about these ordinances please visit <http://marlboro-nj.gov/Stormwater-Plans/index.html>

Please remember, rain water washes pollutants into storm drains that discharge into our streams and oceans! Everyone can do their part and to prevent pollutants from entering our storm sewers:

- Follow the directions on your fertilizer bag, do not apply before it rains and use only when necessary. Use natural and slow-release nitrogen fertilizers. Use a mulching mower to reduce the need for fertilizer. Practice Integrated Pest Management (IPM), a strategy that focuses on long-term prevention of pests or their damage

through a combination of techniques such as natural detergents, mechanical barriers, and use of resistant plant life varieties. Identify pest species before spraying and use natural pesticides whenever possible. If chemical pesticides are required, use them sparingly and in targeted areas.

- Use drought-resistant native plants in gardens and beds. They require less fertilizer and water thereby reducing the amount of polluted stormwater runoff getting to the storm sewers.
- Dispose of pet waste by placing it in a bag and throwing it in the trash or flushing it down the toilet (without a bag). Animal waste contains coliform bacteria, which is harmful to our health.
- Recycle used oil at certified facilities and maintain your vehicle to prevent leaks.
- Take your car to service center to change oil or antifreeze. If you do change your own fluids, do it in a garage so it's not exposed to rainwater and NEVER discard oil, gas or antifreeze into storm sewers.
- Wash your car at a place where water gets treated and recycled, or use a natural biodegradable cleanser.
- Pick up litter on your property and put it in the trash. NEVER throw litter and debris directly into storm sewer, including cigarette butts. Trash in the storm drains not only pollutes our waterways but clogs our storm drains which exacerbates street flooding.

Let's work together to keep our waters clean! If you see trash in the street, built up on a storm grates or lying on the lawn please remember that it ends up somewhere: in our local creeks, streams, ponds, river and eventually the ocean. Make a difference, pick it up and reduce water pollution. Ask about our Adopt-A-Drain program.

Protect our water and our environment.

The Marlboro Township Department of Public Works (DPW) is responsible leaf, brush, and snow removal as well as general repair for 738 named streets, covering over 213 miles of roadway, parking facilities, creation and placement of road signage, line striping and public information signs.

DPW maintains over 233 acres of Township parks, playgrounds and recreation areas, as well as all vehicles and fuel for the Board of Ed, Water Utility, Fire Companies and First Aid Squads.

Did you know?

DPW maintains all facilities including the Municipal Complex, the recycling yard, the Municipal Swim Club, Recreation Center, Public Library, Morganville Senior Center and all First Aid Squads.

DPW in partnership with Monmouth County hosts paper shredding and recycling events.

When available, residents can bring a container and shovel and take home composted material for the garden from the recycling yard for the garden.

MARLBORO TOWNSHIP DEPARTMENT OF PUBLIC WORKS

The Department of Public Works (DPW) is responsible for the maintenance of all public property including roadways and infrastructure. Among many functions, the Department manages the recycling, leaf, brush and bulk waste collection programs, is responsible for the upkeep of park and recreation facilities and the removal of snow from roadways.

The Township is divided into zones for purposes of scheduling and delivering services in the most efficient manner possible. On an annual basis, DPW publishes this calendar of services.

The Township provides numerous leaf and brush removal pickup dates, which means that debris is in or near our road and sidewalk areas during many months of the year. It is critical that all debris be placed for pickup in accordance with the published schedule and regulations of the Township. Leaves and brush must not be comingled. After the pickup period has passed and the streets have been cleaned, no additional debris may be placed curbside until the next scheduled pickup. Aside from detracting from the appearance of our Township, debris left in the streets impedes the flow of stormwater and exacerbates flood conditions. It causes traffic and safety hazards for pedestrians, bicyclists and motorists and interferes with snow removal during the winter months. Landscapers or residents placing debris for collection in an unauthorized

manner shall be required to remove the waste from the public right of way. At any time of year, but especially during the winter, with leaf and brush removal coinciding with snow and ice accumulation, schedules necessarily become weather dependent. Complicating matters, trucks used for leaf and brush removal are also used for snow and ice removal. For example, trucks outfitted with sanders to treat the roadways cannot be utilized for leaf and brush pickup. As

such, all curbside pickups are “Weather Permitting”. Based upon weather conditions and forecasts, the Office of Emergency Management (OEM) will determine if recycling, leaf, or brush collections will proceed according to the schedule. Residents will be notified in advance via Township email and social media if a collection will be postponed or cancelled, in which case no debris should be placed for collection.

CLEAN COMMUNITIES/RECYCLING

New Jersey Clean Communities has served as a source of financial support for Township programs since 1986. Specifically, program dollars have been utilized to offset the cost of recycling, park maintenance, road side cleanups, educational events and Community Pride Day. The Recycling Division Office also coordinates with volunteer groups to adopt and maintain areas of the Township. For your community group to “adopt a site” call 732 536-0188.

COMMUNITY
PRIDE

Please visit www.marlboro-nj.gov and click on “Communications for Residents” to ensure that you receive the most up to date schedule information. We appreciate your cooperation in recycling and maintaining the appearance and safety of our community.

HOW DO I DISPOSE OF...?

Batteries	Household batteries are to be put in the trash. Rechargeable Batteries and Cell Phone Batteries are accepted at certain retail stores such as Batteries Plus, Home Depot and Lowes. Call 877- 2Recycle or visit http://www.call2recycle.org/nj for more information.
Brush	Picked up curbside as per schedule or may be dropped off at Recycling Center (see Brush Collection) or County Reclamation Center (see page 3)
Bulk Trash "Spring Clean-Up"	Picked up curbside in spring but may be dropped off at Recycling Center. A free of charge bulk permit is required (see Bulk Trash).
Construction Debris	Not accepted at Town Recycling Center. Can be brought to County Reclamation Center (see page 3) or curbside during bulk collection.
Electronics	Electronic items are accepted at the Recycling Center. No permit or fee. (TV, computer parts, almost anything with a plug)
Fluorescent Bulbs	Max. of 5 bulbs may be dropped off at Recycling Center. Certain retail stores such as Batteries Plus, Home Depot and Lowes will accept.
Grass Clippings	Rutgers University recommends cutting grass and leaving it on the lawn. The Monmouth Reclamation Center, 6000 Asbury Avenue in Tinton Falls, 732 683-8686 or www.co.monmouth.nj.us/reclamation accepts grass clippings and vegetative waste.
Hazardous waste	Includes paint, liquid gas, pesticides, car oil, car batteries and pool chemicals. Contact the Monmouth County Hazardous Waste Disposal Facility located at 3211 Shafto Road, Tinton Falls, 732 683-8686 ext. 5210 or www.visitmonmouth.com/HHW
Household Trash (Solid Waste)	Residents must independently contract for solid waste collection with a contractor that picks up in Marlboro like: Freehold Cartage 732-462-1001, M&S 732-471-8900, Marpal Disposal 732-542-2348, Solterra 732-727-0247
Latex paint	Dried out paint cans with lids removed may be disposed of with other household trash.
Leaves	Picked up in biodegradable paper bags or piled curbside as per schedule. May be dropped off at Town Recycling Center (see Leaf Collection) or County Reclamation Center (see page 3).
Medical Waste or "Sharps" (from the home)	Local Hospitals: Centra State 732 294-2574, Monmouth Medical 732 222-5200 and Jersey Shore Medical 732 776-4225.
Plastic Bags	Reuse when possible or recycle clean bags in bins provided at many retailers. The Township will periodically run plastic bag municipal drop off locations. Look for email and social media announcements.
Prescription drugs	A drop box is available in the Marlboro Division of Police lobby, 1979 Township Drive, 24 hours. Remove all personal identification information from labels before disposing. No sharps.
Propane Tanks	Marlboro Recycling Center after valve has been left open for at least 24 hours.
Recyclables, Comingled	Comingled: NO plastic bags of any kind permitted curbside. Place Cans, glass, bottles, aluminum and plastic containers curbside in a rigid container-max. 32 gallons. Mixed Paper: Bundled newspapers, magazines, cardboard, Mixed paper. Picked up curbside or may be dropped off (see Recycling Collection, page 10)
Refrigerators	Call 866-NJSMART or visit http://www.njcleanenergy.com/ for up-to-date offers and forms. Appliances are also picked up curbside in spring during Bulk Pick-up (see page 11) or may be dropped off at Recycling Center (see Bulk Trash).
Tires and Rims	Max. of 4 may be dropped off at Recycling Center. Tires and rims must be separated. A free of charge bulk permit is required (see Bulk Trash).

RECYCLING COLLECTION

The Department of Public Works contracts with a private company for curbside recycling services. Recyclables are collected every other week by recycling zone and should be placed at the curb by 7:00am on the specified collection day. No pickup on Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day and New Years Day. Special pickup days are noted in the calendar.

Recyclable containers should be rinsed and placed together (commingled) in an unlined, **rigid, reusable plastic container or garbage can**, no larger than 32 gallons. Covers should not be attached and both receptacle and cover should be labeled "RECYCLE". Only items at curbside will be collected.

Recycling not collected by evening? Leave curbside and email publicworks@marlboro-nj.gov

COMMINGLED CONTAINERS

(containers rinsed, no lids, labels ok)

- Aluminum or glass food and beverage containers
- Iron cans
- Plastic containers (clear or cloudy) with the symbol #1 or #2 (with screw top) only
- Pigmented plastic containers with the symbol #2 (no HDPE) narrow neck containers only (detergent, shampoo bottles)

MIXED PAPER

- Newsprint
- Corrugated cardboard
- Magazines/Catalogs
- Cereal boxes
- Cardboard tubes (PT, TP, all paper removed)
- Printer/copier paper, office paper no wax liner, envelopes
- Junk Mail
- Wrapping paper—non metallic

NO PIZZA BOXES, ALUMINUM FOIL, FOIL PANS, GLASSWARE, CERAMICS, PAPER PLATES/CUPS
NO PLASTIC BAGS CURBSIDE - RECYCLE AT GROCERY STORES WHERE ACCEPTED

NO PLASTIC BAGS OF ANY KIND ARE PERMITTED AT CURBSIDE PICKUP

Plastic bags placed in recycling containers or recycling placed curbside in a plastic bag will prevent all recycling from being collected.

RECYCLING CENTER

HOURS OF OPERATION

Mondays and Wednesdays from 8:00am to 1:30pm and Saturdays from 8:00am to 4:00pm.

BULK TRASH PERMIT

All bulk trash deposited at the Center requires a free of charge Bulk Permit. Permits are available at the Recycling office, Monday to Friday 7:00am -3:00pm. Proof of residency is required. Call 732 536-0188 or email publicworks@marlboro-nj.gov for additional information.

PUBLIC WORKS EMERGENCIES

The Recycling Center may close in the event of emergencies including snow or ice removal, and on holidays as noted in this calendar.

GUIDELINES

- Marlboro residents with proof of residency only (Driver's License or utility bill)
- No vehicles with commercial, farmer or dealer plates.
- Only clean recyclables are accepted at the Center. No items may be left outside the fence when the facility is closed.
- No hazardous materials, concrete, bricks or construction debris are accepted.
- Leaves must be emptied from non-biodegradable bags or containers.
- Brush must be bundled in accordance with Township regulations.
- Cardboard must be bundled in 2' x 2' x 1' stacks.
- Propane tanks must be emptied with valves open for at least 24 hours.

BULK/SPRING CLEAN-UP COLLECTION

The Department of Public Works contracts with a private company for the annual Spring Bulk Trash Collection which is organized by zones and takes place between April 13 and May 18, 2020. Items collected include household items such as sofas, chairs, tables, carpeting, refrigerators, washers, dryers, ovens, barbecue grills (without the propane tank) and toys. Items to be picked up must be placed neatly at the curb by 7:00am of the first scheduled pickup day. Once a street has been completed, the contractor will not return to that street.

- Appliances such as refrigerators, washers and dryers must have doors removed (note that the contractor may collect these items in a separate pickup).
- Fencing, decking and other discarded lumber must be cut to a maximum length of four (4) feet. Treated lumber will not be accepted.
- All containers and drums must have one end removed to ensure that no liquid, chemical or hazardous materials are present.
- Separate metal from other debris.
- No single item may weigh more than 300 pounds, and the total items placed at any residence must not exceed more than five (5) cubic yards. Do not combine your bulk with your neighbor's bulk.
- All metal and wood swing sets must be disassembled and concrete footings removed for pickup.
- Remove or hammer down all nails from wood/construction debris or fencing.

2020 COLLECTION SCHEDULE BULK TRASH ONLY

Zones 2 & 4	Week of April 20
Zones 1 & 8	Week of April 27
Zones 3 & 5	Week of May 4
Zones 6 & 7	Week of May 18

EXCLUDED ITEMS

- Batteries (all types)
- Bricks
- Cardboard (Recycle curbside)
- Car Parts
- Closed barrels or drums
- Concrete or concrete filled items
- Items/Containers in excess of 300 lbs.
- Electronics (televisions, computers, etc.) may be brought to the recycling center. No permit or fee required.
- Dirt
- Excessive construction debris
- Hazardous materials
- Liquids of any type
- Paint in cans
- Propane tanks
- Rocks, stones or slate
- Tires
- Treated lumber or fencing
- Vegetative waste (grass, leaves, brush, branches, logs, tree stumps, etc.)

RESIDENTS MAY BRING BULK TRASH TO THE RECYCLING CENTER. SEE RECYCLING CENTER GUIDELINES.

BRUSH COLLECTION

Brush is to be placed curbside by 7:00am on the first day of the scheduled pickup week, free of leaves or other debris. Weather permitting, it generally takes approximately one week to complete each zone. Once a street has been completed, the Department of Public Works will not return to that street. For the safety of pedestrians and motorists, brush should be placed at the curb no earlier than one week prior to the first scheduled collection date.

All brush is to be cut to a maximum length of six (6) feet and a maximum diameter of four (4) inches and should not exceed fifty (50) pounds in weight. Branches less than one inch in diameter shall be tied in neat bundles no more than four (4) feet in length and two (2) feet across. The total amount placed for any single collection shall be no more than ten (10) cubic yards or three (3) feet by three (3) feet by thirty (30) feet. **Brush comingled with leaves, grass, rocks, stumps, construction debris, fence posts, etc., trash or recyclables will not be collected.**

2020 COLLECTION SCHEDULE BRUSH ONLY

Zones 2 & 4	Week of	2/3	3/2	4/27	9/28
Zones 1 & 8	Week of	2/10	3/9	5/4	10/5
Zones 6 & 7	Week of	2/17	3/16	5/11	10/12
Zones 3 & 5	Week of	2/24	3/23	5/18	10/19

RESIDENTS MAY BRING BRUSH TO THE RECYCLING CENTER. SEE RECYCLING CENTER GUIDELINES.

Christmas Tree Pick Pickup All Zones–Weeks of January 6 and January 13

Leaves and brush may not be blown or placed in the street or block the right-of-way. It can cause flooding, traffic safety issues and is dangerous for pedestrians, motorcycles and bicyclists.

LEAF COLLECTION

Leaf collections noted in the schedule as 'bagged' are to be placed in biodegradable paper bags. Leaf collection noted as 'Pile' may be piled curbside or bagged. In all cases, piled or bagged leaves are to be curbside by 7:00am on the Monday of the scheduled pickup week, free of branches and other debris. It takes approximately one week to complete each zone, weather permitting. Once your street has been completed Public Works will not return to your street and no additional leaves may be placed curbside.

For the safety of pedestrians and motorists, leaves may not be placed curbside earlier than one week prior to your scheduled pick up. At no time should homeowners or landscapers blow leaves into the street. Both piled and bagged leaves should be placed at your curb but not in the street. **Leaves comingled with brush, grass, rocks, stumps, construction debris, trash or recyclables will not be collected.**

2020 COLLECTION SCHEDULE LEAVES ONLY

		BAG	BAG	PILE	BAG
Zones 2 & 4	Week of	1/6	3/30	10/26	11/30
Zones 1 & 8	Week of	1/13	4/6	11/2	12/7
Zones 6 & 7	Week of	1/20	4/13	11/9	12/14
Zones 3 & 5	Week of	1/27	4/20	11/16	12/21

RESIDENTS MAY BRING LEAVES TO THE RECYCLING CENTER. SEE RECYCLING CENTER GUIDELINES.

Weather Permitting

The Office of Emergency Management (OEM) will notify residents via email and social media if collections are suspended due to weather conditions, in which case no debris shall be placed curbside. Residents may bring brush to the Recycling Center. Refer to "Recycling Center Guidelines".

Frequently Asked Questions

1. What zone am I in?

Refer to the Street by Street zone listing in this calendar, call 732 536-9295 or email publicworks@marlboro-nj.gov

2. What happens if I put items out after the scheduled pick up date?

Recyclables, bulk trash, leaves and brush may be brought to the Municipal Recycling Center or you may contact a private hauler.

3. What should I do if my recycling collection is missed?

If you placed your recyclables curbside prior to 7:00am on your scheduled pick up day and recyclables are not collected by 5:00pm, call the Recycling Office at 732 536-9295 or email publicworks@marlboro-nj.gov.

4. How do I obtain a bulk trash permit?

Residents are permitted to bring bulk trash to the Recycling Center. A free of charge bulk trash permit is required which can be obtained at the Recycling office Monday through Friday, 7:30am to 3:00pm. Refer to "Recycling Center Guidelines".

5. Who do I call if my street light is out?

Street lights are owned and operated by Jersey Central Power and Light (JCP&L). JCP&L can be reached at 1-888-LIGHTSS (888-544-4877)

SNOW REMOVAL FACTS AND GUIDELINES

Snow removal activities are conducted by the Department of Public Works and private contractors. The following rules, facts and tips are offered so that DPW can safely and efficiently remove snow and ice from Township roadways:

Rules

- No debris (including leaves and brush), garbage cans or basketball hoops shall be placed in roadways. Anything left in the roadway during winter weather conditions impedes the Township's ability to clear the streets, increases the risk of damage to your property and jeopardizes the safety of the equipment operators.
- When snow is on the way, all vehicles must be removed from the roadways.
- Snow may not be shoveled, blown or plowed into the roadways.

Facts

- Marlboro is 32.5 square miles and DPW is responsible for clearing approximately 200 miles of roadway.
- Roads are generally treated with de-icing agents two times during one storm event, once prior to and once following snow removal.
- DPW will open the roads on the first pass and then plow curb-to-curb.
- In the event of 4 inches of snowfall, it takes approximately 10 hours to complete one circuit through the Township.

Tips

- **Wait until DPW has made one pass before clearing your driveway.**
- Parking vehicles in your driveway gives you less snow to remove and a drier surface.
- Arrange cars so that the first car that has to get out is the last parked in your driveway.
- When clearing snow, where possible, pile the snow to the right of the driveway (looking out to the street from your house).
- The United States Postal Service asks customers to clear enough snow from their mailboxes to allow mail trucks to approach the box, deliver the mail and drive away.
- Fire hydrants located on your property should be cleared of snow to prevent the lines from freezing and allow access in case of fire.

MARLBORO TOWNSHIP SURVIVING THE SNOW

**NEVER TOUCH
DOWNED LINES!**
REPORT DANGER
TO THE POLICE
**ALWAYS DIAL
9-1-1
IN CASE OF
EMERGENCY**

tips from:
Marlboro Township
Office of Emergency Management
Department of Public Works
FEMA, Red Cross

Dear Neighbor,

Please review our **Surviving the Snow** brochure; a continuation of **Plan and Prepare** included within previous annual mailings and available on the Marlboro Township Website. Snow has become a regular part of New Jersey Winters and this brochure offers tips and information on Surviving the Snow.

Our Department of Public Works is on the job day and night when expecting severe weather of any kind; countless hours of prep before, and time in the field during and after a snow event. Snow is challenging and Marlboro Township has been a leader in keeping 200 miles of roadway clear and safe.

We are fortunate to have volunteer 1st Aid Squads, Fire Departments and a Community Emergency Response Team (CERT), as well as a Police Department that is always ready to assist. For non-emergency situations, please call Marlboro Police at 732-536-0100. Always dial 911 for emergencies. Be assured that if you have an emergency, our teams will get to you, even in the event that your street or driveway has yet to be cleared.

Please help by following the tips provided here, keeping informed and helping your friends and neighbors to do the same. Visit our website and register to receive news by phone, email and follow us on social media. If you do not have a computer you may register your phones by calling (732) 536-0100 ext. 1412. Together as a community, we can weather any storm.

Mayor Jon Hornik

TO REPORT POWER OUTAGES: CALL JCP&L 1-888-LIGHTSS (1-888-544-4877)

IMPORTANT INFORMATION

Marlboro Township is 32.5 square miles and our **Department of Public Works (DPW)** is responsible for **200 miles of roads**. This does not include State and County roads or roads in private developments.

Roads are treated twice during a storm event; before and after melt and re-freeze, and may be treated a third time if over 24 hours.

It takes about 10 hours for DPW to clear a 4" snowfall. More snow takes proportionately more time. For example, it will take about **20 hours to clear an 8" snowstorm.**

All vehicles must be removed from the street to allow for snowplow access.

Parking on driveway will decrease the amount of snow to shovel and allow for a drier surface when pulling out. Park vehicles on your driveway so that the first car that has to get out is the last one parked.

Do not shovel or blow snow into roadway from your driveway or car. This causes a hazardous condition and is a violation of Marlboro Township Ordinances.

Property Damage, such as basketball hoops, hockey nets, potted plants, etc. that are damaged during snow removal are NOT the responsibility of Marlboro Township. Remove such items prior to snow fall.

Please be aware that snowplows will deposit some snow at the end of your driveway. As plows drive by, snow will fall into an empty space. To lessen the volume, wait to shovel or leave 4 feet of snow at end of your driveway until after the snowplows have completed at least one pass.

**REPORT POWER
OUTAGES TO JCP&L
AT 1-888-LIGHTSS**

Freezing Rain - Rain that freezes when it hits the ground, roads, walkways, trees and power lines.

Sleet - Rain that turns to ice pellets before reaching the ground. Sleet causes roads to become slippery.

Winter Weather Advisory - Winter weather conditions are expected to cause significant inconveniences and may be hazardous.

Winter Storm Watch - A winter storm is possible in your area. Tune in to NOAA Weather Radio, commercial radio, or television for more information.

Winter Storm Warning - A winter storm is occurring or will soon occur in your area.

Blizzard Warning - Sustained winds or frequent gusts to at least 35 miles per hour, falling or blowing snow, reduced visibility conditions lasting 3 or more hours.

Frost/Freeze Warning - Below freezing temps are expected.

KNOW THE TERMS

Before winter approaches, add these supplies to your emergency kit and assure that these are accessible in extreme snow conditions:

Rock salt or more environmentally safe products to melt ice on walkways. Visit the Environmental Protection Agency for a complete list of recommended products.

Sand to improve traction.

Snow shovels and other snow removal equipment.

SUPPLY YOUR HOME

Sufficient heating fuel.

You may become isolated in your home and regular fuel sources may

be cut off. Store a good supply of dry, seasoned wood for your fireplace or wood-burning stove.

Adequate clothing and blankets to keep you warm.

Water Proof Gloves and Boots

Weather Sealing Tape to temporarily address drafts or broken windows due to storm damage.

CHECK YOUR CAR

Check or have a mechanic check your car: Antifreeze levels, battery and ignition system, brakes, exhaust system (carbon monoxide is deadly and usually gives no warning), fuel (a full tank prevents fuel line from freezing), air filters, heater and defrost, lights and hazards, oil (heavier oils may congeal in cold and may not lubricate as well), thermostat, Windshield wipers, good winter tires - (consider chains or studded snow tires). **Have on hand:** scraper, portable shovel, sand and/or salt, snacks, boots, warm gloves, car lock de-icer.

It is critical to STAY INFORMED

Information is available through a variety of electronic options including Email Notices, Reverse 911, Facebook and Twitter. Please visit our website at www.marlboro-nj.gov and click the blue "Communications for Residents" button on our home page. Consider any or all of these methods of communication which can be registered for using this one easy link. These paperless options are an immediate, cost effective and environmentally sustainable way of communicating with our residents. By providing a variety of communication methods it is our goal to be able to communicate with every resident even when some lines of communication are disrupted during weather emergencies.

SUMMER ROAD PROGRAM

**PAVING,
 PATCHING,
 POT HOLE
 REPAIR,
 STREET
 SWEEPING**

Streets Free of Debris Allow DPW to Complete Road Maintenance.
THANK YOU FOR YOUR COOPERATION

ALL CURBSIDE COLLECTIONS ARE WEATHER PERMITTING

Due to weather conditions, all curbside collections are subject to re-scheduling/cancellation by the Marlboro Township Office of Emergency Management (OEM). Residents will be notified of changes via email, social media, and the Township Website when NO debris can be in or near the street. For that reason, no item should be placed curbside earlier than one week prior to schedule. **Visit www.marlb主oro-nj.gov to Register for Schedule Change Notices.**
